

The Seven Child Safe Standards

Stawell Primary School

To Strive, To Seek, To Find - But Not To Yield

At Stawell Primary School:

1. Adults work together to make sure children are safe and protected from harm
2. Our Child Safe Policy lets everyone know how much we care about the safety of all children, and what we do to protect them
3. Our Child Safe Code of Conduct lets all adults know how to behave safely with children
4. The adults in the school are carefully chosen, and do special training, to make sure they know how to keep all children safe
5. When children do not feel safe, they can tell a trusted adult, and the adult must always help them
6. The adults in the school try to fix or get rid of anything that might hurt children, so that all children are safe
7. All children are taught how to have respectful relationships with others, and how to stay safe.
